

# Request for quotation

Indoor / outdoor solar cells – or modules type TD

## Technical requirements

- Open circuit voltage (Volts) :
- Working voltage (Volts) :
- Working current (mAmps or  $\mu$ Amps) :
- Type of illumination (or place of use : indoor, outdoor, office, car ...) details here :
  
- Dimensions (mms, thickness 0.5-3mm) :
- Cables :
- Weatherproof protection / or not :

### MARKET DATA

- The product is dedicated to : .....
  
- Annual quantity : .....
